fish

Important
things to remember

Unit 10

Sometimes
it's hot.

Sometimes
it's cold.

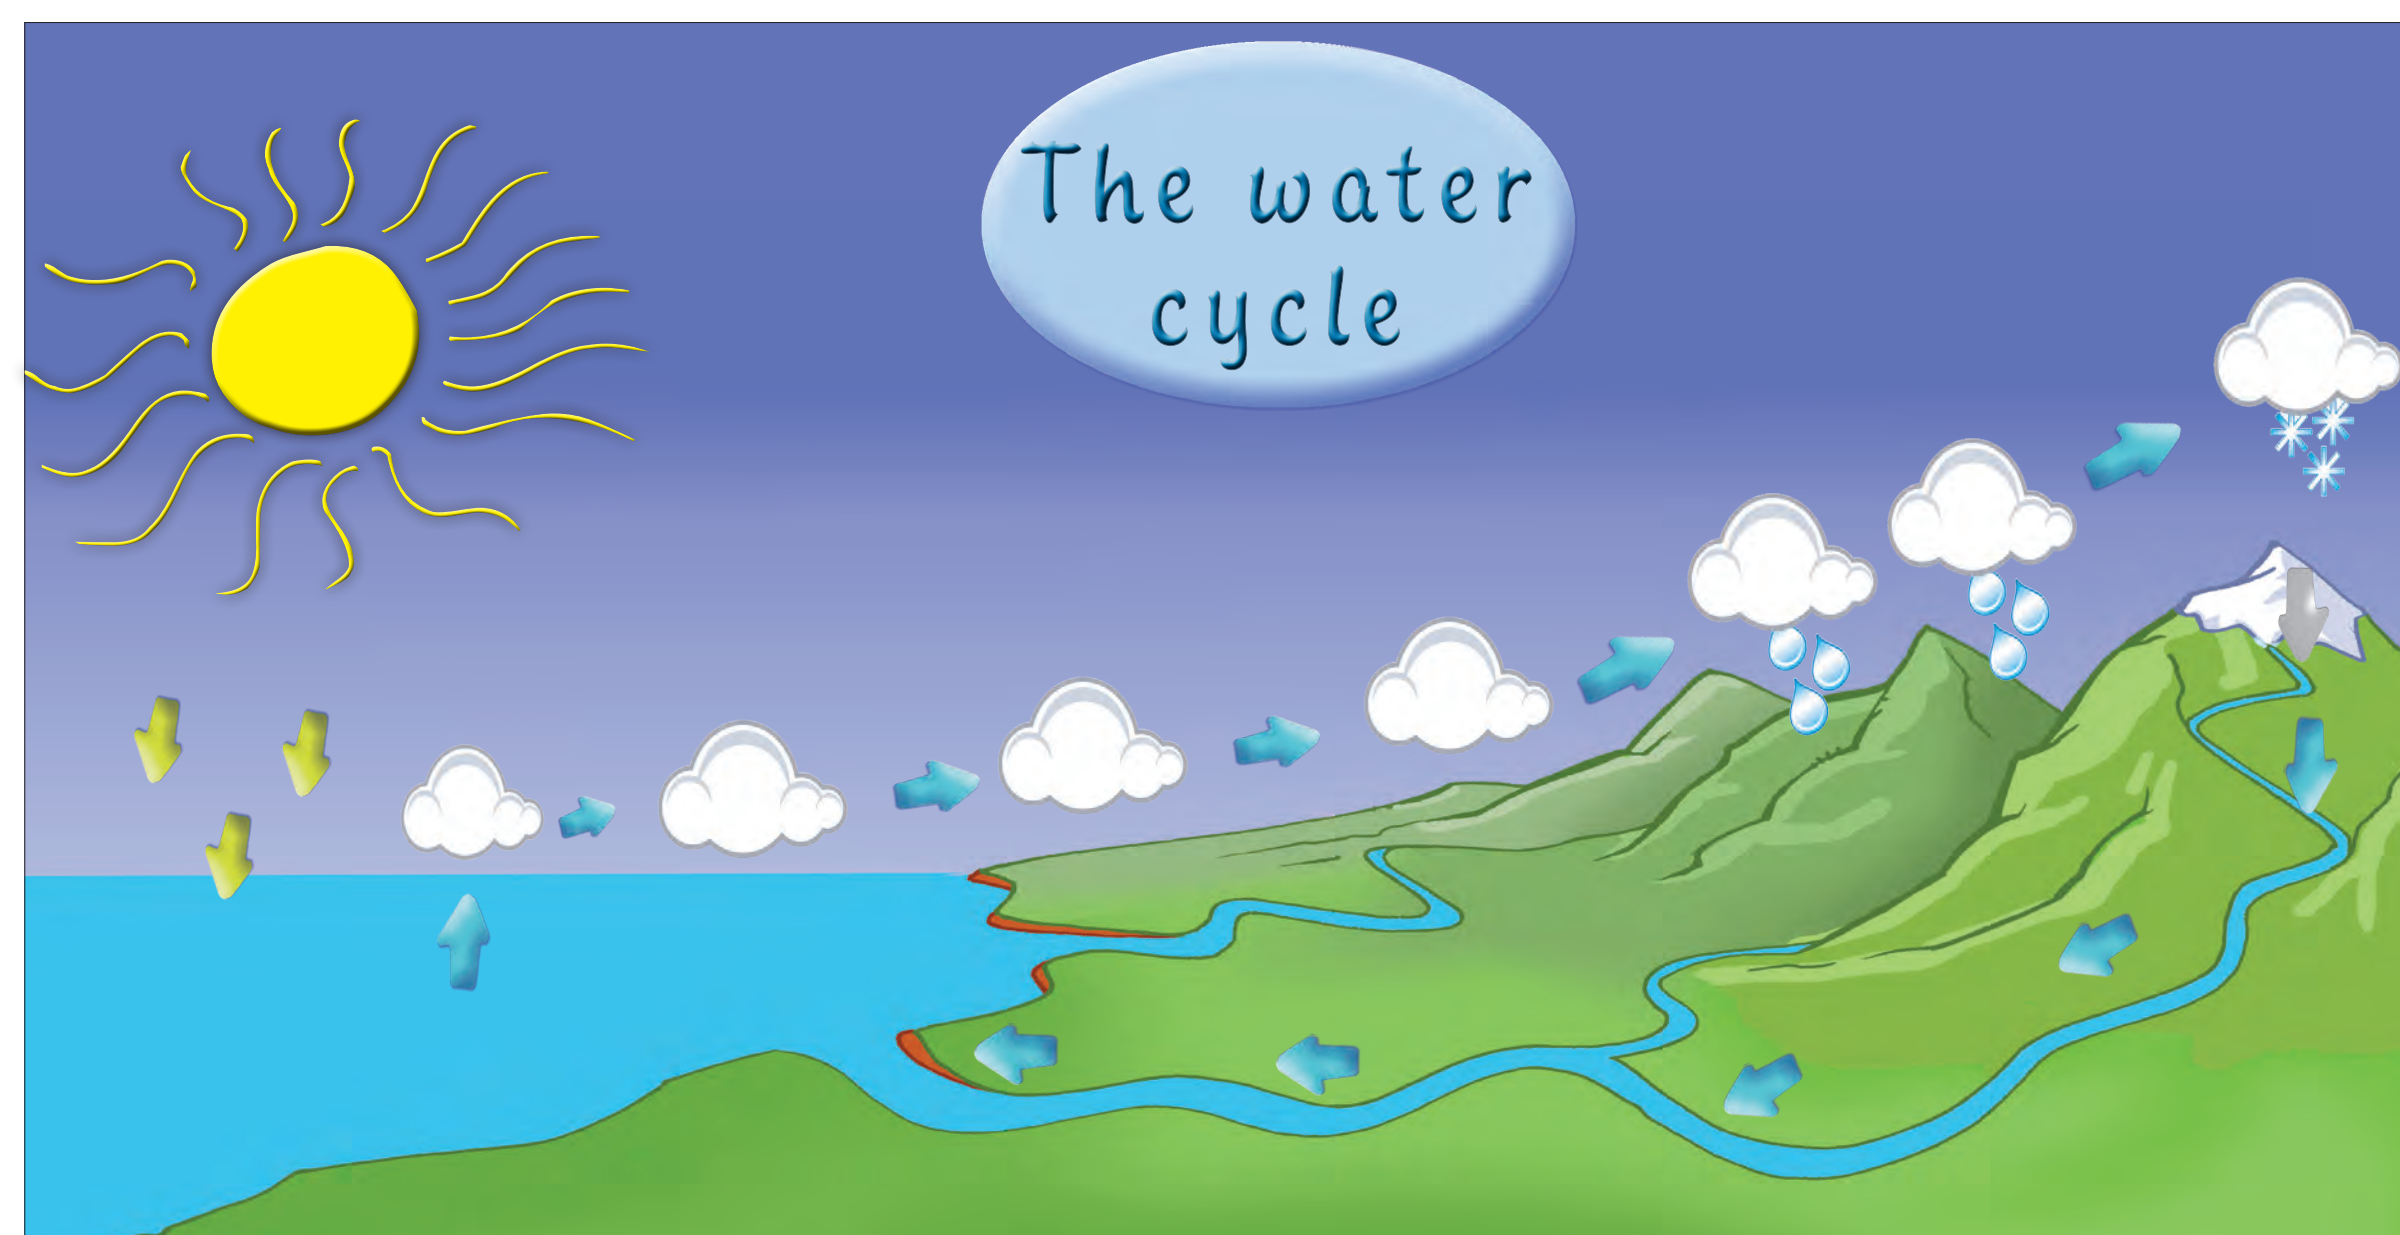

spring

summer

There are
4 seasons.

autumn

winter

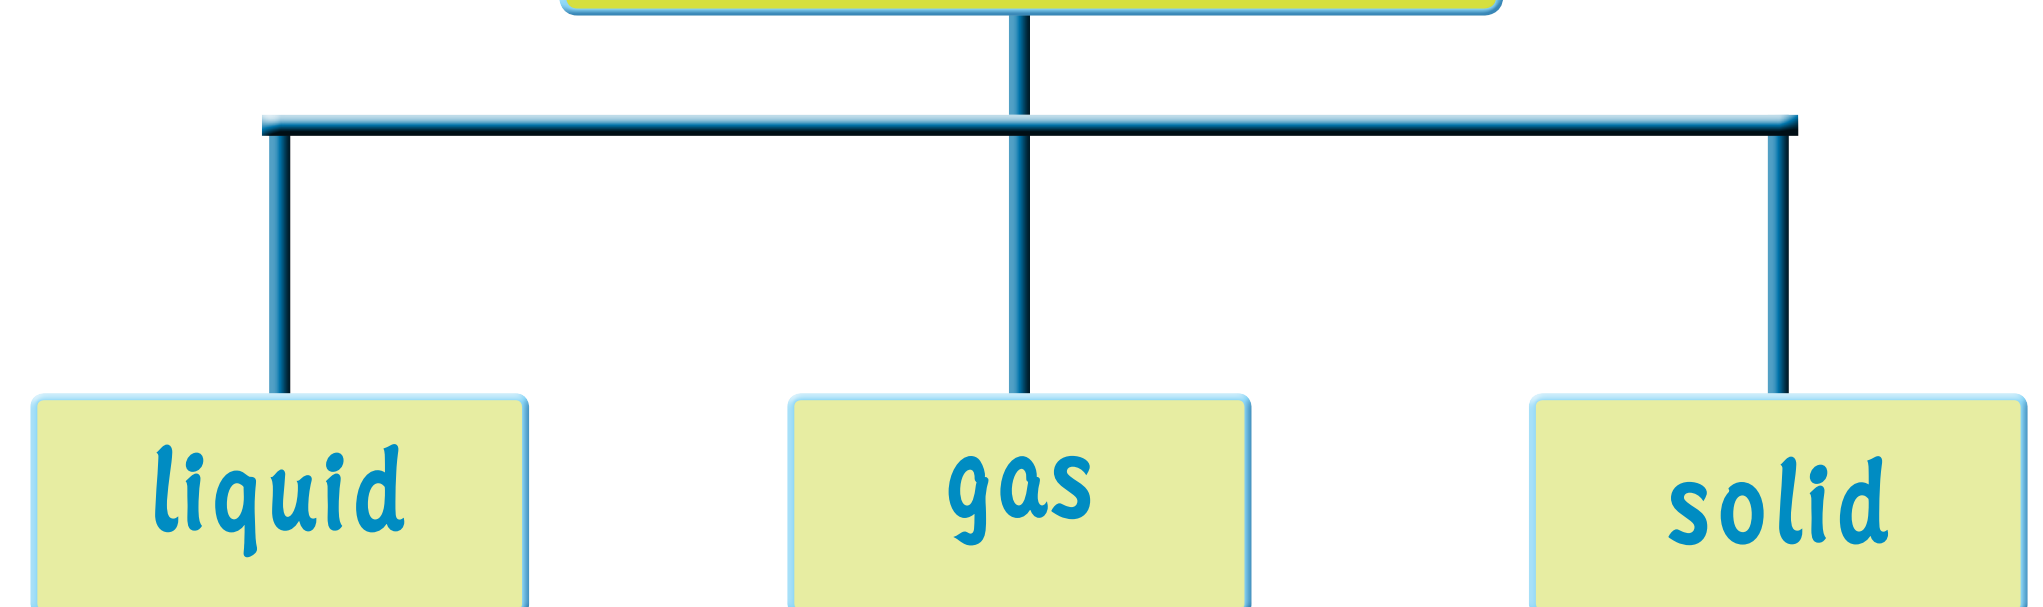

Water

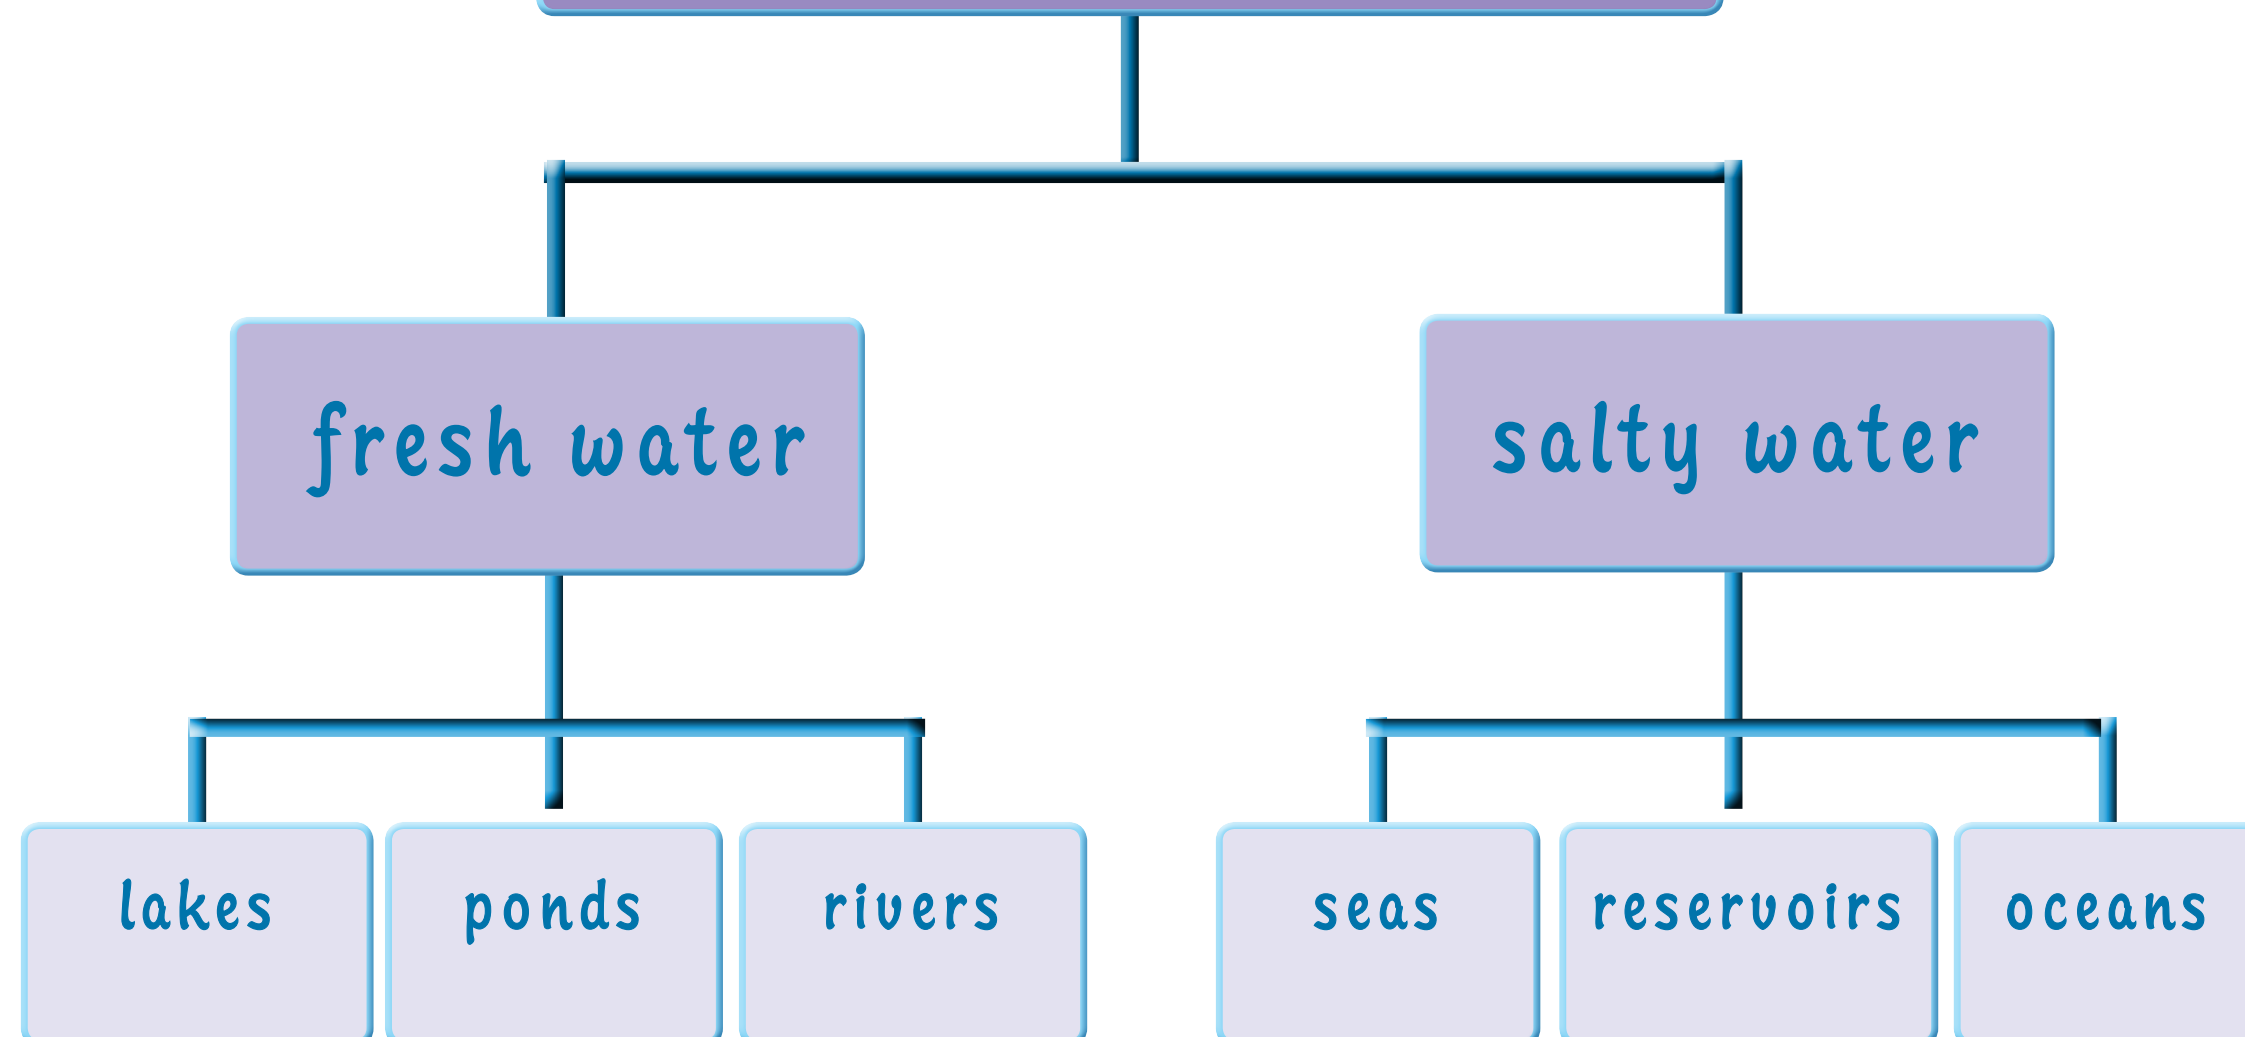

We need water

Water changes

The blue planet has

It is important to look after ecosystems.

Important
things to remember

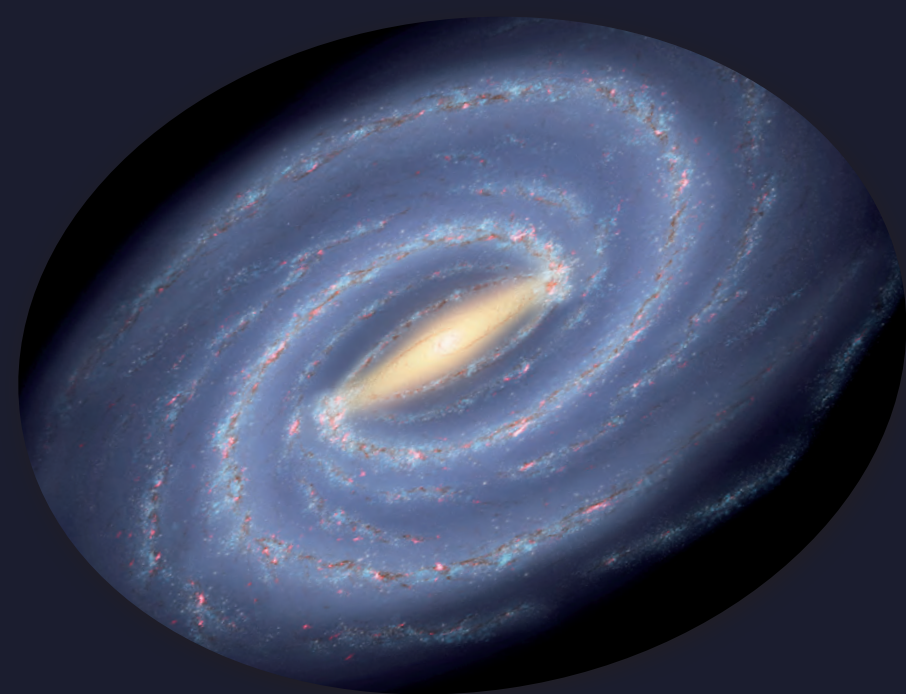

Unit 14

The Solar System

Mercury Venus Earth Mars Jupiter Saturn Uranus Neptune

Inner planets

Outer planets

Galaxies

Stars

Comets

Meteorites

Technology

People discover new
ideas to help us.

People invent
machines.

Inventors and scientists
are always inventing
new machines.

Energy

electricity

muscular
strength

It is important
to save
electricity.

is produced in
power stations

sun

wind

water

coal

these energies
are clean

this energy
is dirty

use
energy

Machines

we use
machines

to help us

to do things
quickly

simple

1 mechanism

complex

more than 1
mechanism
