Pen pals

1. Read the letters.

Dear pen pal,

Do you want to visit me in winter?

We can go to clubs to ski and walk around. There are many ski clubs here. Many people come here in winter. So, to prevent accidents, they have many signs, like: Don't run. You can slip and fall down.

Also, we can go to the village to visit the fair and the zoo. They protect different types of animals there, so there are signs saying "Don't feed the animals" and "Don't talk if the animals are sleeping". We can go to the gym too; and we can do aerobics. Write soon.

Betty

Dear pen pal,

Thanks for your invitation! In my country there aren't any seasons, but there are nice villages where you can swim in swimming pools, or go to the beach. There are hotels with beautiful gardens too. Now there are signs everywhere saying "Don't step on the grass" because people are trying to protect nature.

We can also go to the circus, the fair and the zoo. There are "Don't litter" signs everywhere in these places, so now they're clean and nice all the time, not like before.

Your friend,
Pamela
